- .Grants for advertising, printing-publishing & you name it!**

If you have a dream, call us!

Grant Amounts: \$1,000,000—\$30,000,000

Success Rate 96%

Where does money come from? Hundreds of billion dollar businesses– Not government money!!

Are These business grants? Yes, but if you have a dream business to start up, that works too in most circumstances.

Do I need a credit check? No, Grant is based on your business plan & goals, not your past!

How long does it take to get funded? 10-14 months.

What does this cost me? There is a reasonable cost! Call us for details! It is affordable.

WHY

Are we giving out grants?

We applied for our grant & realized there are a lot of our clients in business who could also improve their lives with a grant and we wanted to help as many people as possible.

What about sellers; Buyers And Rent To Own Clients?

This is what our grant is for. We will have funds available to fix up homes if you buy a home or are selling a home or if you refer a buyer or seller to us!

I don't believe in free money!

If this is your only belief, do not call us!!

Do I pay taxes? No

Do I have to pay back? No

Is there a lien on my house? No

This sounds too good to be true!!

I agree, that is why it is "best kept funding secret in town!!

We are staking our impeccable reputation on this. Call us for full explanation!

We are signing up 2-5 Businesses every
Week on this program . Don't miss out!
